

# Elliott Ditch Project Update

Date: March 30, 2020  
Subject: Elliott Ditch Project Update No. 5  
CEC Project No.: 172-367

---

On behalf of Arconic Inc., Civil & Environmental Consultants, Inc. (CEC) is pleased to provide this status update regarding the Elliott Ditch Project. As a reminder, project status updates will be provided weekly during clean-up activities and quarterly during non-clean-up activities, at a minimum. These updates will be posted on the Updates section of the Elliott Ditch Project Website (<http://elliottditchproject.cecinc.com/updates.aspx>). This update is being provided in association with Elliott Ditch Levee clean-up portion of the project.

- No contractors were onsite during the week of March 23, 2020.
- The United States Environmental Protection Agency (U.S. EPA), Region 5 provided Coordinated Approval of the Levee Soil Interim Measures Work Plan (Work Plan) on March 24, 2020. The Indiana Department of Environmental Management previously provided approval of the Work Plan on January 7, 2020. The approvals and Work Plan can be viewed in project repository located at: <http://elliottditchproject.cecinc.com/repository.aspx>
- With both U.S. EPA, Region 5 and IDEM approval, the remediation project will progress with the following next steps:
  - Expanded curb cut along Concord Road for haul truck access (anticipated to begin the week of April 8, 2020);
  - Site preparation, such as installation of security fencing, erosion/sedimentation controls, gravel haul road, etc. (anticipated to begin the week of April 27, 2020); and
  - Excavation, backfill, and restoration activities (anticipated to begin the week of May 18, 2020).
- Regarding Governor Eric Holcomb's Executive Order 20-08 in response to the coronavirus 2019 (COVID 2019), this remediation project is considered essential and will proceed with the schedule as detailed above. CEC will continue to monitor COVID 19 developments in Indiana and will be prepared to adjust the schedule, as appropriate.
